

# SUBJECT INDEX

## A

- Administrative ratios
  - retrenchment and, 344
- Adolescence
  - American family life and, 204-7
- Aid to Families with Dependent Children, 111, 399, 403
- American family life, 193-212
  - adolescence and, 204-7
  - childbearing and, 197-201
  - childrearing and, 201-4
  - old age and, 207-11
- Apprenticeship
  - proletarian consciousness and, 55
  - worklife mobility and, 431
- Asia
  - rural poverty in, 329
- Asian immigrants
  - naturalization of, 379-80
- Australia
  - social mobility in, 427
- Austria
  - worklife mobility in, 431
- Authority hierarchies
  - Japanese industrial organizations and, 298-99
- Automation
  - effects of, 43
  - skills in the age of, 42-44
  - skill degradation and, 29-30
- Autonomy
  - skill and, 31-32

## B

- Brazil
  - income inequality in, 328
- Bureaucratic encounters
  - evaluation of, 409-11
- Bureaucracy
  - welfare state
    - social rights and, 397-401
- Bureaucratic encounters
  - power-dependence relations and, 403-7
- Bureaucratization
  - growing organizations and, 342
- Business administration
  - management of decline and, 343

## C

- California
  - Hispanic minorities in, 360, 372
- Canada
  - social mobility in, 427
- Canadian immigrants
  - naturalization of, 379
- Capital
  - gentrification and, 142-43
  - protoindustrialization and, 99-100
- Capitalism
  - democracy vs., 114-17
- Carrying capacity
  - ecologic niches and, 348
- Centralization
  - organizational decline and, 344-45
- Childbearing
  - American family life and, 197-201
- Childbirth
  - quality of married life and, 242
- Childrearing
  - American family life and, 201-4
- Children
  - economic value of
    - parenthood and, 239
  - parental perceptions of, 249-51
  - stressfulness of, 251-54
  - time budget surveys and, 154
  - working mothers and, 260
- Citizenship
  - Hispanic minorities and, 379-82
  - welfare state and, 395-97
- Civil rights
  - citizenship and, 396
- Class mobility
  - See Social Mobility
- Class struggle
  - industrialization and, 100-2
- Collective behavior
  - mass persuasion and, 19-20
- Colombia
  - income inequality in, 329
- Commodification
  - citizenship in welfare states and, 397

- Complacency
  - organizational decline and, 347
- Conflict
  - organizational decline and, 344
- Conflict theory
  - crime control and, 77-84
  - deviant behavior and, 9
- Conservatism
  - organizational decline and, 344-45
- Consumer behavior
  - time budget surveys and, 153
- Consumption
  - employment and, 319
- Contextuality
  - everyday life sociology and, 219
- Control structures
  - industrialization and, 102-3
- Conversation analysis, 226-27
- Corporate familism
  - in Japan, 290-96
- Corporatism
  - environmental policymaking and, 482
- Credentialism, 40
- Crime control, 67-86
  - conflict perspective and, 77-84
  - economic perspective and, 68-71
  - punishment and, 71-76
  - structural functional perspective and, 71-77
  - See also Social control
- Crime rates
  - arrest rates and, 74
  - punishment and, 69
- Cuba
  - out-migration in, 362-63
- Cuban immigrants
  - entrepreneurial orientation of, 369-70
  - historic sociology and, 362
  - income of, 370-71
  - knowledge of English and, 376
  - labor force participation of, 367
  - naturalization of, 379
  - occupational attainment of, 366

- political behavior of, 378-79
- socioeconomic condition of, 364
- Cultural change
  - fertility decline and, 199
- Culture
  - gentrification and, 143-45
  - industrialization and, 100-2
- D
  - Deadly force
    - social control and, 78-79
  - Decision making
    - Japanese industrial organizations and, 299-301
    - See also Strategic decision making
  - Deindustrialization, 105-6
  - Democracy
    - capitalism vs., 114-17
  - Depression
    - parenthood and, 248
  - Deprivation
    - relative, 52-53
    - income inequality and, 316
  - Deviant behavior
    - conflict theory of, 9
    - social transmission of, 8-10
  - Distributive justice
    - equity and, 53-54
  - Diversification
    - organizational growth and, 348
  - Divestiture
    - organizational decline and, 350
  - Division of labor
    - efficiency and power theories on, 32-34
    - Japanese industrial organizations and, 296-97
    - protoindustrialization and, 99-100
    - sexual
      - time budget surveys and, 154-55
  - Divorce
    - adult perceptions of children and, 250
  - Domain consolidation
    - organizational decline and, 350
  - Domain creation
    - organizational decline and, 350
  - Domain defense
    - organizational decline and, 350
  - Domain offense
    - organizational decline and, 350
- Domain substitution
  - organizational decline and, 350
- Dominican Republic
  - out-migration in, 362
- Dramaturgy, 220
- Dual rationality theory
  - strategic decision making and, 185-87
- Dyadic exchange, 53
- E
  - Ecologic niches
    - carrying capacity of, 348
  - Economic development
    - income inequality and, 313-30
  - Economic growth
    - social consequences of, 92
    - welfare state and, 112, 391
  - Economics
    - institutionalism in, 459-60
    - life cycle theory and, 336
  - Education
    - adult perceptions of children and, 250
    - fertility decline and, 200
  - Educational administration
    - management of decline and, 343
  - Educational attainment
    - Hispanic minorities and, 365-66
  - Educational systems
    - worklife mobility and, 430-32
  - Effectiveness
    - organizational decline and, 345
  - Efficiency
    - organizational decline and, 345
  - Efficiency theory
    - division of labor and, 32-34
  - Elderly
    - American family life and, 207-11
    - time budget surveys and, 153
  - Emotions
    - sociology of, 224-25
  - Employee buy-out
    - organizational death and, 353
  - Employee work orientations
    - Japanese industrial organizations and, 304-6
  - Employment
    - consumption and, 319
    - in Japan, 291
    - parental status and, 248
  - Empty nest
    - quality of married life and, 242-43
- England
  - See Great Britain
- Entrepreneurship
  - Hispanic minorities and, 364
- Environment
  - institutional, 444-46, 449-53
  - political economy of, 481-83
- Environmental attitudes
  - research on, 475
  - social-structural aspects of, 472-74
- Environmental movement, 475-79
  - technologic risk and, 479-81
- Environmental politics, 481-83
- Environmental sociology, 465-84
  - core of, 467-72
  - environmental attitudes and, 472-74
  - prospects for, 483-84
  - social-psychologic theory and, 474-75
- Equality
  - welfare state politics and, 397
- Equity
  - distributive justice and, 53-54
- Establishing the phenomenon, 1, 2-6
- Ethnomethodology, 220-21, 226, 446
- Europe
  - division of labor in, 104
- Everyday life sociology, 217-30
  - critiques of, 229-30
  - existential sociology and, 222-24
  - historic development of, 220-22
  - tenets of, 218-19
- Existential sociology, 222-24
- F
  - Factor analysis
    - job skills and, 31-32
  - Factory system
    - skill degradation and, 34-35
  - Family cycle model, 196
  - Family life
    - analytic approaches to, 194-97
    - See also American family life
  - Family relations
    - fertility decline and, 200-1
  - Fertility
    - Hispanic minorities and, 363
    - nineteenth century decline in, 197-201
  - Fertility behavior
    - parenthood and, 254-55

- Florida
  - Hispanic minorities in, 360, 372
- Food stamps, 403
- Foreign direct investment
  - income inequality and, 318
- Formalization
  - organizational decline and, 344
- Fragmentation
  - industrial society and, 91-92
- France
  - antinuclear movement in, 482
  - social mobility in, 427
  - welfare state formation in, 113
  - worklife mobility in, 431-32

## G

- Garbage-can model
  - strategic decision making and, 184-87
- Gender relations
  - parenthood and, 254
- Gentrification, 129-145
  - capital and, 142-43
  - culture and, 143-45
  - displacement and, 135-37
  - economic rationality and, 137-38
  - economic restructuring and, 138-40
  - historic preservation and, 134-35
- Gini concentration ratio
  - income inequality and, 324-25
- Government
  - welfare state bureaucracies and, 398
- Gratification
  - relative, 52-53
- Great Britain
  - environmental movement in, 477
  - income maintenance programs in, 392
  - managerial capitalism in, 102
  - social mobility in, 427
  - welfare programs in, 111
  - welfare state formation in, 113

## H

- Habatsu, 297
- Headstart Program, 202-3
- Hermeneutics, 222
- Hispanic minorities, 359-83
  - citizenship and, 379-82
  - complexity of, 360-61
  - demography of, 363

- historic sociology and, 361-62
  - knowledge of English and, 372-76
  - labor market and, 364-72
  - out-migration and, 362-63
  - political behavior of, 376-79
- Historic sociology
  - Hispanic minorities and, 361-62
- Homemaker role
  - motherhood and, 246
- Homicide
  - social control and, 78-79
- Homo economicus, 218
- Hong Kong
  - income inequality in, 328
- Hospital administration
  - management of decline and, 343
- Household economics
  - time budget surveys and, 155-57
- Human exceptionalism paradigm, 469
- Hungary
  - social mobility in, 426
  - time budget surveys in, 152, 156

## I

- Identity
  - role accumulation and, 251-52
- Ideologic elitism
  - environmentalism and, 476
- Imprisonment
  - unemployment and, 80
- Income
  - Hispanic minorities and, 370-72
- Income distribution
  - inflation and, 281-82
  - middle class and, 278-81
  - studies of, 261-65
  - limitations of, 271-75
  - unemployment and, 281-82
  - working women and, 259-85
- Income inequality
  - economic development and, 313-30
  - measures of, 323-25
  - police force size and, 81
  - race and, 270-71
  - working wives and, 265-68
- Income maintenance programs, 392
- Income redistribution
  - effects of, 319
- Incrementalism
  - strategic decision making and, 184-87

- Industrialization, 89-107
  - control structures and, 102-3
  - epochs and processes in, 96-106
  - era of
    - crafts in, 32-38
  - proletarianization and, 103-4
  - skill degradation and, 29
  - social class and, 100-2
  - social differentiation and, 91-93
  - social mobility and, 424-27
  - uneven development and, 93-95
  - welfare state and, 112-13
- Industrial organization
  - Japanese, 296-8
- Industrial relations
  - Japanese, 290-96
- Industrial societies
  - fragmentation and, 91-92
  - skill changes in, 38-42
- Inflation
  - income distribution and, 281-82
  - unemployment and, 113
- Innovation
  - organizational decline and, 345
  - organizational size and, 342
- Innovation-decision process
  - social comparison and, 57-59
- Innovativeness
  - organizational decline and, 344
- Institutional environment, 444-46, 449-53
- Institutionalization
  - indicators of, 447-49
  - principles of, 444-47
- Institutional theory
  - competitive tests of, 457-59
  - organizations and, 443-60
- Intermarriage
  - Hispanic minorities and, 363
- Ireland
  - social mobility in, 426
- Italy
  - welfare state formation in, 113
- Ivory Coast
  - income inequality in, 329

## J

- Japan
  - environmental mobilization in, 477
  - income inequality in, 328
  - industrialization in, 103
  - industrial organization in, 296-308

industrial relations in, 290-96  
labor markets in, 290-96  
managerial capitalism in, 102
